

MESSAGES FROM YOUR AERIE SECRETARY BROTHER ED ROCHETTE

1. Members can update their personal information themselves by signing in on the website www.FOE.com/login then click on your name. If your street or email address or phone number changes please update the information on that website or you may drop a note in the Aerie Secretary office door slot and I'll update it for you.
2. When proposing a new member please be sure the applicant signs the back page of the application and all information is legible. Please be sure two proposers sign the application and include their GAID numbers (not local number) and ask applicant to include payment for the prorated membership dues plus the \$15 initiation fee. Prorated dues are posted on the board next to the Aerie secretary office. Proposers duties are also posted on that board.
3. Those who serve (Veterans, police, EMT - first responders) may receive 1 free year of membership. If they pay the prorated dues for this year then they will receive an entire year free next year and cards will expire May 31, 2021; otherwise cards expire May 31, 2020. No initiation fee is charged for those who serve and we thank them for their service.
